RE: Center For Excellence (180-05) extension

Dear Ms. Kitka:

Late last week I received authority to extend award 180-05 for 3 months, as you requested. I am now working on the amendment to create the extension of the performance period to September 9, 2007.

AFN sent the Commission a termination notice on April 6, effective March 31, and Final Report for the award in late April, covering the duration of the award through March 31, 2007. In order to understand what additional work will be done after March 31, I need a detailed work plan for the work to be accomplished between April 1 and September 9, 2007, including identification of personnel, contracts / procurements (if any), travel (if any), work activities (by staff name), timelines, deliverables, and a detailed budget. I will attach the work plan to the amendment and forward it to you after George Cannelos signs it.

Please contact me if we need to discuss. Thanks.

Sincerely,

A handwritten signature in cursive script that reads "Paul McIntosh".
